VEDANTI KOYANDE

Pune, Maharashtra | 8482839563
vedantikoyande@gmail.com

Summary

A Computer Science and Business Systems student with a proficient grasp of C++, Python, and Data Structures and Algorithms. My passion for Machine Learning, and Web Development drives me to contribute to innovative projects. Collaborative by nature, I eagerly share knowledge and I look forward to actively participate in community engagements to foster continuous skill enhancement.

Education

JSPM's Rajarshi Shahu College of Engineering
Computer Science & Business System | 05/2025
CGPA (till 5th semester) : 8.57

Jai Hind jr College,Pimpri,Pune
12/2021
Percentage: 87.67%

Smt S.S Ajmera High School and jr College
12/2019
Percentage: 80.60%

Skills

C++, Data Structures and Algorithms, Python, Web Development, Machine Learning

Experience

InternPe
Web Development Intern | 07/2023 - 06/2024
Key Skills: Web Development

Projects

Talk to PDF Chatbot (Project)

- The PDF Chatbot project uses the Gemini Pro API and Langchain with Streamlit for advanced PDF text extraction and analysis. MLOps principles were applied for a modular architecture, improving system synchronization and efficiency.

Shopping Cart Management System (Project)
- The Shopping Cart Management System project employs Object-Oriented Programming (OOP) principles, exploring key concepts like encapsulation, inheritance, and abstraction. Tailored for diverse product categories, this project reflects a commitment to robust software design and development.
